

Energy Efficient Electric Furnace

FEG-ECM Series

Features

Color

- Standard: grey.

Voltage

- 240V, 1-phase.

Construction

- Steel casing, all insulated for reduced heat loss and noise.
- One panel on casing provides access to internal parts.

- High quality precision balanced blower for quiet operation and optimal performance.

- Variable speed electronically commutated motor (ECM), permanently lubricated and rubber mounted for maximum vibration and noise reduction.
- Relay and printed circuit board (PCB) control automatic operation of motor and allow for the addition of air conditioning or heat pump.

- Heavy duty, reliable Helical coil nickel-chromium alloy wire provide superior heat transfer with unrestricted air flow.
- Heating elements can be individually replaced.
- High-limit temperature control with automatic reset.
- Elements modulation is done by a low voltage printed circuit boards with rectifier/timers to prevent power surges.

Control

- Heavy duty 24VAC transformer provides power to relays and controls. Easy access built-in breakers with manual reset (except the 10kW models).
- "Speed Selection" switch: "Low" or "High".
- "Heat Activation" switch: "Slow" or "Fast".
- Compatible with 1 or 2-stage thermostat with or without external unit.

Wall controls

- Compatible with any low voltage thermostat.

- Multi-position installation, sides, back, or bottom air returns.
- Approved for zero clearance installation against combustible surfaces.

- 5-year against defects.

Application

- For cottages, homes or offices, also approved for mobile homes use. May be installed in a basement, closet, crawl space or any unused area or alcove.

Models

Product #	Volts (1-Phase)	kW	Weight	
Product #	2-Wire	(BTU/hr)	lb	kg
21ECM10-A	240	10.0 (34152)	108	50.0
21ECM15-A	240	15.0 (51228)	108	50.0
21ECM18-A	240	18.0 (61473)	110	49.9
21ECM20-A	240	20.0 (68304)	110	49.9
21ECM23-A	240	22.5 (76842)	115	49.9

Standard color is grey.

Option

Product #	Description	
FSB1 ¹	Downflow sub-base	

¹ Available with 10kW,15kW,18kW and 20kW models
